

CNC Sliding Head Machines

Star 10mm diameter capacity with Fanuc controls and 3 meter FMB bar loaders.
2 Star SR-10J machines 2007/2010

Star 16mm diameter capacity with Fanuc controls and 3 meter FMB bar loaders.
1 Star SB-16 machine 2003
1 Star SB-16 Type E machine 2008 1
Star SB-16II Type E machine 2012

Star 20mm diameter capacity with Fanuc controls and 3 meter FMB bar loaders.
1 Star SR-20R machine 2003
2 Star SR-20RII machines 2006/2007
1 Star SR-20J machine 2011
1 Star SB-20 Type E machine 2012

Star 35mm diameter capacity with Fanuc controls and 3 meter FMB bar loaders.
2 Star SR-32JN machines 2012/2014
1 Star SR-32J machine 2012
1 Star SV-32 machine 2014

Star 42mm diameter capacity with Fanuc controls and 3 meter FMB bar loaders.
3 Star ST-38 machines 2016/2018/2019

CNC Turning

Cincinnati Hawk 200CX Lathe 200mm diameter chuck with Fanuc control.

Hardinge Talent 6/45 CNC Lathe with 200mmn chuck with Fanuc control.
1 machine 2008

Doosan Lynx 220L Lathe with 1.5 meter bar feed and Fanuc controls.
1 machine 2016

Doosan Lynx 220B Chucking Lathe with Fanuc control.
2 machines 2017/2017

Takamaz XW130 with gantry loading capabilities
2 machines 2017/2018

CNC Milling Hardinge

GX480 machining centres with Fanuc control, 16 station tool changer, travels 480mm x 350mm x 400mm

1 machine 2014

Hardinge XR700 twin pallet vertical machining centre with Fancu control, travels 700mm x 500mm x 500mm

1 machine 2008

Doosan DNM 650 vertical machining centre with Fanuc control, travels 1270mm x 650mm x 550mm

3 machines 2012, 2015 and 2015

Ancillary Equipment

MecWash Duo 400 parts washing system

3 Stage ultrasonic cleaning system capacity 400mm x 250mm x 250mm

Glass bead blasting machine with capacity of 300mm x 300mm x 300mm

Laser engraving including radial marking
